A GALA SUPPORTING AOE ARTS COUNCIL | UN GALA À L'APPUI DU CONSEIL DES ARTS AOE

ABOUT ARTINIS

Whether you enjoy the kitschy futurism of *The Jetsons*® or the vintage celestial romanticism of the 1900s, ARTinis will be one gala that is not to be missed. Guests will first mix and mingle in the futuristic retro Richcraft Theatre and then be beamed to the stage of the Harold Shenkman Hall for an interstellar tasting experience in vintage planetary glamour. Individuals, families and the businesses are invited to contribute to our silent auction to help raise funds to support Arts Network Ottawa (formerly AOE Arts Council) to enable us to deliver programs and services that advance our local arts scene and build a community where we all want to live.
