MEDIA RELEASE

January 30, 2018 – For Immediate Release

12 Ottawa region artists featured in the 2018 AOE Gallery Season

An invitation to come chat with local artists

(Ottawa, Ontario) Twelve local artists will share their work with the public as part of AOE Arts Council's 2018 gallery season. The new season of works demonstrate a range of media representative of AOE Arts Council's visual arts members.

The AOE Gallery is one of seven exhibition spaces in the Shenkman Arts Centre and is run as a professional gallery. Submitting artists are juried by professional artists, who review and select the exhibitions.

The exhibits and meet the artists events are sponsored by longstanding community partner [Caisse populaire Trillium Desjardins](#), who is a proud supporter of the arts in the Ottawa region.

Each exhibit features an opportunity to meet the artist(s) with a vernissage, held as part of the Shenkman Arts Centre's visual arts showcase called the [Meet the Artist series](#). Most artworks are for sale.

Meet the Artists at the Shenkman Arts Centre

This is an invitation to satisfy your curiosity. What motivated the artist? How did they create their work? What was their vision? Will your perspective change? Some or all of the seven exhibition spaces in the Shenkman Arts Centre simultaneously launch receptions to introduce artists and their new exhibits. Enjoy casual conversations with featured artists on select Sunday afternoons from 1 to 3 p.m. and Thursday evenings in July and August from 7 to 9 p.m.
